Author's Notes:
I'm back from vacation. I won't continue my other story (no one reads it, so whatever). Enjoy this drabble...

I still see you.
I can see your happines, when you're with him...

You always were with me... But now, when I'm gone, you're with him.
I'm not mad, because you must felt alone...

We were so happy togheter, but then... I died... and I'm a ghost, you know?

I will always miss you... I didn't know that ghost have feelings, but they do. I know you will always miss me too, but you need to forget that. Live is going on, right?

I love you James and I hope that you'll be happy with Lars....
